REGISTRATION DAY

The Chinese School of San Diego registration process was different than recent years past. Our official registration day on August 29th was two weeks prior to the first day of school. We then had registrations on the first day of school and the week after.

The past few years the registration was on the first day of school. We found by dedicating a day solely for the registration process the stress and crowd level was maintained to a minimum.

We would like to welcome our 19 teachers and over 120 students. We know this year will be filled with challenges, but we also know we have overcome them and our programs grew stronger in the end.

One challenge is the time change from 8:30 AM to 8:00 AM. However, our final day of school is also earlier than last year.

We hope this year will be beneficial for everybody and that we all learn from each other.

2ND ANNUAL FOOD & TOY DRIVE

Last year we collected approximately 300 lbs of food and over 150 toys.

The drive benefits both the Feeding America San Diego and the Ronald McDonald House Charities.

WHAT'S HAPPENING

Halloween

This year at the Chinese school we had an optional costume day for both the teachers and students on Halloween, Saturday, October 31st. Some teachers and students dressed up for the occasion, however, everybody enjoyed themselves.

Assemblies & Cooking Classes

The teachers rotate presenting the assemblies and cooking classes this year. This enhances the teachers experience in public speaking, in research and time management. This experience enables the students to become familiar with other teachers than their own while being exposed to Chinese culture.
