CHINESE SCHOOL

In our continuing efforts to improve our school, our registration process was different than recent years past. We had an official registration day on August 29th which was two weeks prior to the first day of school. In the past few years, the registration was on the first day of school. We found by dedicating a day solely for the registration process the stress and crowd level was minimized on the first day of school.

Based upon survey feedback, we also changed our school times. The time change from 8:30 AM to 8:00 AM allows us to finish our school year earlier.

We would like to welcome our 19 teachers and over 120 students. We hope this year will be beneficial for everybody and that we all learn from each other.

2ND ANNUAL FOOD & TOY DRIVE

Building upon our success & positive feedback from students and families, this year we will again hold our annual food & toy drive. Last year we collected approximately 300 lbs of food and over 150 toys.

The drive benefits the Feed America San Diego, Ronald McDonald House Charities and Operation Homefront. Please look out for the donation boxes & donate non-perishable goods & unopened toys.
