CHINESE SCHOOL

As the academic year comes to a close we extend our gratitude to the teachers, staff, students and parents for a successful year. This past year, we saw many changes and look forward to the future of our school.

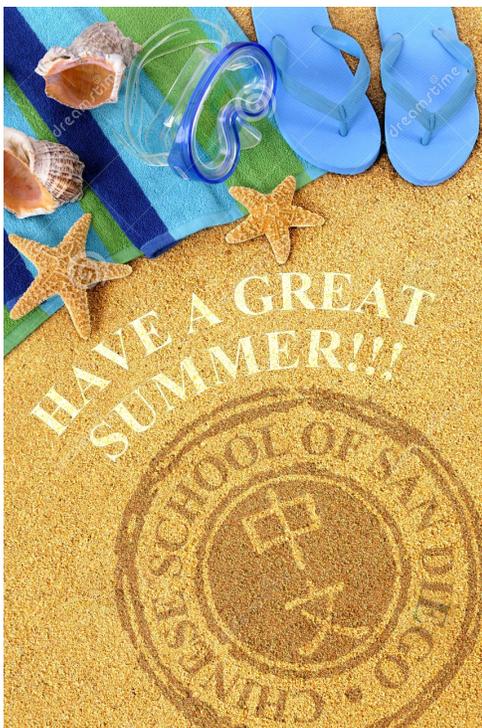

Some upcoming changes are:

1. Adults are no longer required to take final examinations.
2. We have implemented a scholarship program, the Dennis and Sally Wong-Avery scholarship.
3. Some staff will be changing their roles and responsibilities, notably, Natasha Wong will be the new Principal and Terry Ngo will be the Vice-Principal. Sally Wong-Avery will remain as President of the school.
4. Children's classes will change time from 8:30am to 10:30am. We believe this shorter class time is more appropriate for the younger children. Due to the shortened class time, tuition is reduced to \$500 for the school year.

We are in search for teachers for this upcoming year. If you or somebody you know of has an interest in teaching at our school, please send your resume to:

ChineseSchoolSD@yahoo.com

We wish you all a safe summer and look forward to seeing all of the new and returning students.

LOS ANGELES FIELD TRIP

On May 1st, some students went on a field trip to Los Angeles visiting the Taipei Economic & Cultural Office; Ever-green Bookstore; had lunch at Atlantic Times Square and visited Chinatown in LA. Everybody who went had a wonderful time and would go again.

WHAT'S HAPPENING

Commencement Program

The school held their commencement on May 21 with over 200 students, parents and guests in attendance. As in the past years each class performed either a song, skits, or recital.

We also recognized Sally Wong-Avery who is stepping down as our principal and was presented with a bouquet of roses and a signed picture of all the students and teachers. Everyone thanked Sally for her passion and contributions to the community and lives of the students.

Each year, we also recognize those students who volunteer their time to the school. This year, we recognized Eric Chaing for helping the school break down the classes and putting away the tables and chairs.

The "End of the Year" video was well received and highlighted each class including the cooking & singing classes. Each year we try to come up with a theme for the video. This year's theme was 'Dreamer' of a child who didn't like school and after arguing with his father about going to Chinese school, he woke up motivated and attended the Chinese school.

We also want to thank Domo's kitchen for catering our lunch, Tasty Bakery for the taro & chocolate cake & to all our staff for their hard work and support.

Dennis & Sally Wong-Avery Scholarship

We are offering a scholarship for the 2016-2017 academic year.

This scholarship provides assistance to families facing financial hardships, yet still has an interest in learning or their children learning Chinese at our school.

The deadline for applications is June 30.
