CPR And First Aid

Every year, we ensure all of our teachers and staff are CPR & FIRST AID certified. This helps ensure our teachers are prepared for medical emergencies at the school. This year we had a total of 24 staff and teachers attend the 4-hour class on Saturday, August 12. All were successfully certified.

Registration

This year's registration day was on August 30th. While we saw some familiar faces come and register and pick up their books, there were several new students that registered as well. We would like to welcome and thank the new and returning students for supporting our school.

Assembly Topics and Guest Speakers

Our assemblies received the most favorable ratings on our End of the Year survey. Both students and parents commend our school on the cultural education as well as the variety of different topics. The guest speakers are a big part of our assembly's success. This year we have lined up more presenters that we are equally sure will enlighten, enhance, and educate our students. The speakers that have already confirmed are Sally Wong-Avery; Tom Hom; Murray Lee; Glen Brodowski; Frank Du and the CCBA.

We are very excited for this year's presenters along with our own teachers and staff presentations as well.

Chinese New Year Fundraising Banquet

This Chinese New Year we will be celebrating the 'Year of the Dog'.

We have been involved with this celebration for over 30 years.

While it is a time for celebration for the community, it is also a fundraising event for our school with the proceeds going toward paying the schools overhead costs, school supplies, the teachers and staff and offset field trips.

We invite you to join us at this year's fundraising event on February 10th, 2018 at 5:00pm.
