2020-2021 Online Chinese School

The Chinese School of San Diego have switched to online classes temporarily for this semester. Our teachers still come to the school for the online classes. We prepared teaching software and hardware that give our students and teachers a much better experience in remote learning.

Online Chinese Cultural Assembly

The Chinese School of San Diego not only emphasizes Chinese language skills but also Chinese culture and history. It is important for us to continue teaching students the Chinese culture even though we switched to online classes for this semester. Therefore, we also switched the assembly online by preparing videos and uploading them to our YouTube channel once a week.

2020 Toy Drive

Our school held the Toy Drive 2020 from November 20, 2020 to December 09, 2020. All the donations will be sent to Vista Hill. Vista Hill was formed as a non-profit organization devoted to helping people of all ages, from communities large and small, both within and outside of San Diego, who are confronting the challenges of mental illness, substance use disorder or intellectual and developmental disabilities since 1971.

Chinese New Year Celebration

On November 6, 2020, we had our first Chinese New Year Fundraising meeting. We decided to have the celebration online with the pre-recorded video from the Chinese School of San Diego and the House of China.

Next Semester Plan

We were planning to open physically starting next semester but due to the uncertainty of recent spike in COVID-19 cases, we will wait for more information from school district on a safer date to reopen.
