### School Closure Mid-March

The Chinese School of San Diego have spent several weeks learning about Coronavirus (COVID-19). Our school policy is fully compliant with San Diego Unified School District (SDUSD) and with the news announced by SDUSD, we have decided to switch to online learning beginning on Saturday, April 25<sup>th</sup>, 2020. The school term extended to May 30<sup>th</sup>, 2020 to make up for the missed hours.

### 2019 End of the Year Survey

Students' and parents' feedback is very important to us as we continue to improve our Chinese program. The survey covered school arrangement, extracurricular activities, teachers, school app, distance learning, and summer tutoring program. Parents and students appreciated the staff and teachers for keeping the school running during a challenging time. Thank you for everyone

participating and we will do our best to keep the good work and improve our program.

### 2020 Online Summer Conference

On July 20<sup>th</sup>, 2020, our staff attended the 2020 Online Summer Conference. The training sponsored by the Southern California Council of Chinese Schools (SCCCS). There are approximately 120 teachers from various Chinese schools attended this training. The presenter Ms. Amy Huang pointed out that most of the Chinese schools are facing the same crisis or difficulties such as looking for the school site, principal, teachers, and students. Another presenter Ms. Christina Lin introduced some digital tools to improve student engagement and teaching effectiveness in a distance learning environment.

### 2020-2021 School Year Teacher Meeting

With the recent news announced by SDUSD, we have decided to temporarily start our school year fully online until we see a decrease in cases for us to open physically. We have researched and prepared equipment, as well as teaching software to give our students and teachers a much better experience in remote learning. On August 22<sup>nd</sup>, 2020, our teachers and staff attended the first teacher meeting. We have a new teacher joining our CSSD family. Our school principal Mr. Terry introduced the interactive whiteboard system to our teachers.
