The Chinese School of San Diego

The Chinese School is the oldest Chinese language school, offering Cantonese and Mandarin classes for ages five through adult. CSSD delivers an engaging, activity-based curriculum that blends language learning with cultural exploration. Cooking, calligraphy, guest speakers, and field trips are all part of the learning experience.

CSSD also emphasizes gratitude, service, community and civic engagement. More than a language program, CSSD inspires students to embrace heritage, give back, and connect with the world of which they are a part.
